

*Merry Christmas!
May God bless you in 2022!*

The Lutheran Schools in Truman, Fairmont & Northrop
are committed to helping parents bring up children to be a part
of the INN crowd and one of the STABLE few in a world of instability!

This might be a little cheesy and not as edgy as other bulletin inserts i have done, but all i really wish to say this December is “Merry Christmas!” i do not wish to say “Happy Holidays.” i do not wish to say “Happy New Year” or “Happy Festus.” i want to say “Merry Christmas!” i want to promote **Jesus**. God’s Eternal Promise of salvation, who had an actual Birthday! It is about a full immersion into the Christ of Christmas. It is about the central point of ALL human history! It is about being **Christocentric** in our everything—more than one day a year. i would suggest more than the 12 days the song likes to emphasize. There is nothing grander than the fact God’s name is Immanuel. God in the flesh came to share our experience, then to pull us out of it. How ridiculous is that???

So this December, share the theme of **Merry Christmas** within your circles. Don’t be shy. Be bold. Don’t hesitate for the concern of offense. Be strong and courageous because the God who established this plan followed through and continues to be with us, has your back. A 365 Christmas lifestyle is not one that is easily walked. Our Lutheran schools stand ready to teach the value, meaning, and rationality of this walk of faith. This is what we do! May the Christ of Christmas center Himself in your home and heart everyday of every year of your time here!

Amen – Come Lord Jesus!!!

Paul Steinhaus, Principal

Mission Statement

Preparing students
for discipleship
until
Christ's return

Vision Statement

Martin Luther High School

is

Partnered with Families and Congregations

Empowered by the Gospel
