Tip-over-itis (summer homework)

Tip-over-itis is a fictitious disease/term I used in my classroom when discussing death. I would like to take you through my wellness class section on death (when I used to teach this class).

Before diving into this Bible study, one major item needs mentioning, that secular society views death as "The End," truly something to be feared.

As Christians our view is quite polar. Death is a mere continuation into a perfect eternity with Perfect Love. To make this point: New Testament vocabulary uses the word "sleep" to describe the physical death of a Christian, and the NT uses "death" or "die" or some other equivalent for the physical death of a non-Christian. The following are a progressive list of Bible verses that carry one through the topic of death and dying (this is not an exclusive list of verses). Please take a few minutes to look up the following. Do not start this unless you can complete this in one sitting: 1. Ecclesiastes 2:16, 2. Ecclesiastes 3:2, 3. Psalm 89:48a, 4. Psalm 49:10, 5. James 1:10, 6. James 4:14, 7. Job 14:1-2, 8. Ezekial 33:11, 9. Ezekial 18:23,32, 10. Psalm 116:15, 11. John 11:35, 12. 1 Corinthians 10:13, 13. 1Corinthians 15:21, 14. John 3:16, 15. John 6:40, 16. 1Corinthians 15:42, 17. Psalm 139:13-16, 18. Matthew 5:16.

Death is truly our last opportunity to let our light shine. As we live out the circumstance of our exit from our physical life, it demonstrates the depth of our faith in the Truth of "Death, where is your sting?" How exciting is it to truly know that life never ends, just gets perfect?

In our Lutheran schools we have the privilege to teach this Truth, a very polar contrast from what society and culture would suggest. It is a Life changer – John 14:6.

Please pray for our Lutheran schools that they will grow, flourish, and be the preferred educational choice by parents. Thank you!

Come Lord Jesus, Amen!

MLHS teaches that every boy and girl are fearfully and wonderfully made in God's image.

All classes and activities are Christ-centered. Students take Religion classes every day. Junior high students develop their faith and character by studying Christian life. Freshmen and sophomores dig deep into the Bible, studying the Old and New Testaments. Juniors learn about the blessings of Christian Relationships as God intended them to be. Seniors examine and exercise Apologetics, the discipline of defending religious doctrines through systematic argumentation and discourse. In addition to accruing high school credits, qualifying students can graduate with many college credits on their resume. MLHS offers a wide variety of fine arts, athletics and extracurriculars. At MLHS students are prepared--not protected--to face the challenges the world lays before them with the assurance that their Lord is with them as the journey through life. All students are welcome to enroll no matter what religion they are.
