Set in Stone

From my office i had the best seat in the house to witness a historic example of the tremendous support our community has for the mission and ministry of Martin Luther Jr/Sr High School. The new parking lot is a statement that our community is concerned for the success and excellence of our mission to help make disciples for Jesus.

Thank you to all who contributed in any way to make this happen! It has been a humbling ride to be part of this historic step. On behalf of the Board of Directors, Marge, our faculty, staff, and our students – THANK YOU!

It is true the parking lot is a huge financial undertaking that does not pay the bills, nor pay for the tuition of students. There is a “business” philosophy at work in making these decisions based on “the little things/the details.” In Luke 12:26 Jesus states, “Therefore if you cannot do even a very little thing, why do you worry about the other things?” Attention to the details tells you a lot about whatever it is that you are evaluating. For example, when looking at my neighbor’s garden, i usually do not look at the produce. i look at the weeds. The weeds, or lack thereof, tell me about the health of the garden. When looking to purchase a house, the condition of the house can be evaluated in the details: Caulk lines, clean gutters, curb appeal, and closet organizers are all details that can indicate whether the house was taken care of or not. Hoping to buy a quality used car? All the same rules apply.

In Luke 12, Jesus asks us to look at the details that God paid attention to and then evaluate how much more important we are than the details, AND if He can take care of the details (lilies, numbered hairs, and “He also made the stars”), He WILL take care of us. The MLHS community has done exactly that: demonstrating in the details that this mission and these people are very important. Concrete, accreditation, new toilets, a gym floor, LED lighting, functional fire alarms, proper storage spaces, high speed WI-FI, fancy markers for our whiteboards are all details that demonstrate how important we feel the ministry of developing faithful disciples really is! Let’s keep this thing moving! Help us reach more students with the Gospel. Let’s make some disciples! **Thank You!**

Come Lord Jesus, Amen!

Paul Steinhaus, Principal

**Thank you to
Everyone Who Gave to the
On Christ, the Solid Rock
Parking Lot**
