Celebrate Lutheran Schools

National Lutheran Schools Week is January 27th to January 31st. This is a time to celebrate and highlight all of the wonderful things that Lutheran schools have to offer. The theme this year is "Endure" and the theme verse is Hebrews 12:1-3: *"Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God. Consider him who endured from sinners such hostility against himself, so that you may not grow weary or fainthearted."* Lutheran schools are another way we can surround ourselves "by so great a cloud of witnesses." Christ Endured the Cross on our behalf. As we consider Him and His sacrifice, we can Endure and follow His will and the race that is before us. We can lean on our family of believers, our congregations, and our Pastors and Lutheran teachers to lead us back to the Word to guide us. *"Train up a child in the way he should go: and when he is old he will not depart from it."* Proverbs 22:6

At Martin Luther our goal is to always put Christ first in everything we do. In doing so, we also strive to provide an excellent education where our students consistently test higher than the state and national averages. The LCMS serves students from early childhood through high school in over 1,900 schools nationwide and 3 schools internationally. We also have 9 universities and colleges to serve students seeking post secondary and graduate education. The LCMS has over 160,000 students taught by 21,000 teachers. There are only 109 LCMS Lutheran High schools nationwide, and we are so fortunate that we are able to operate and serve Martin County and the surrounding areas. We hope to continue to grow and develop and welcome students and families from all walks of life as we stand firm in the doctrine of the Lutheran Church Missouri Synod.

Why send your child to a Lutheran school?

Lutheran schools:

- Are driven by a commitment to the Gospel and focused on a mission of bringing hope and healing to students and families.
- Meet or exceed state and national academic standards at all grade levels.
- Have educators who model visionary leadership, servant leadership, and spiritual leadership. They study God's Word, share their personal faith story, apply Law and Gospel appropriately, exhibit a passion for ministry, act courageously, equip God's people for service, care for others, demonstrate integrity, and pray. The leaders in Lutheran schools reflect God's Love.
- Have leaders who are upright, Christian role models that students can learn from, so they can become strong, Christian leaders.
